

## REO and ECF Presentation, May-29 2024.

Around thirty people, including the Secretary General of the Government, the Minister of the Economy, the Minister of Justice, the Ministry of Finance, the Central Bank of the Comoros, the EU and French Ambassadors, main development partners (UNDP and UN), the directors of various ministries, and civil society figures (including the country's major exporters) took part in the presentation of the REO on "Reprise timide dans la région" on May 29 2024. This was followed by a presentation on the foundations of the ongoing ECF programme. Numerous issues were discussed, including the risk of over-indebtedness and the very low tax burden in Comoros. Participants also took part in lively Q&As at the end.
