

F.1 More Disaggregated Institutional Sector and Financial Instrument Breakdowns

Instructions

For each question, please provide the answer by clicking the relevant check box or by typing in the framed textboxes, which will automatically expand to fit the text.

We recommend providing coordinated answers between the national agencies responsible for the national accounts and balance of payments compilation (for example, National Statistics Office and Central Bank). If only one agency is providing a coordinated answer concerning national accounts and balance of payments, please indicate that in Question 2 (Your response to the questionnaire concerns which area of macroeconomic statistics?). Otherwise, please choose in Question 2 the area of macroeconomic statistics to which your answer is referring.

Please note that the survey may reach one or more contacts in your agency; however, only one response is expected. A printable version of the questionnaire is available for your convenience. If you have any questions, please contact STABPM6Update@imf.org or sna@un.org.

We look forward to and highly appreciate your collaboration.

Sincerely,

Financial and Payments Systems Task Team
