Morocco's Quest for Stronger and Inclusive Growth

Roberto Cardarelli and Taline Koranchelian

Over the past three decades, Morocco had a remarkable journey to economic stability and development.

Still, Morocco's quest for strong, resilient, and inclusive growth is far from complete. After accelerating in the first decade of the new millennium, income convergence with advanced economies has slowed over the past 15 years. And the benefits of economic development remain elusive for a significant part of Morocco's population, particularly young people and women, given their high unemployment rate and the presence of a still-large informal sector. However, one thing does stand out from Morocco's experience: its policymakers' recognition that addressing these issues will require a new series of bold and ambitious reforms.

This book provides a broad overview of both Morocco's economic progress in the past few decades and its economic modernization agenda going forward. To a certain extent, Morocco's story is a useful example for many developing economies still striving to build the foundations of macroeconomic stability. And the series of reforms that the country has begun to implement provides equally interesting ideas for all countries engaged in the quest for stronger and more inclusive growth.

Promoting Inclusive Growth in the Middle East and North Africa: Challenges and Opportunities in a Post-Pandemic World

Roberto Cardarelli,
Mercedes Vera Martin,
and Subir Lall

"The Middle East and North Africa is one of the most unequal regions in the world.

Without increased inclusiveness and transparency about the distribution of income and wealth, instability and poverty will persist. This volume provides an important step to shift the approach. A must-read!"

—**Thomas Piketty**, EHESS and Paris School of Economics

Unmasking Control: A Guide to Beneficial Ownership Transparency

Richard Berkhout and Francisca Fernando

Transparency about who owns a company or corporate entity (the beneficial owner) affects economic stability. This guide for practitioners,

policy makers, and other interested researchers describes comprehensive frameworks for holding beneficial ownership information. It proposes questions to guide strategic thinking and discussion of the issues while focusing on the overarching principles required to establish an effective system of beneficial ownership information.

Data for a Greener World: A Guide for Practitioners and Policymakers

Serkan Arslanalp, Kristina Kostial, and Gabriel Quirós-Romero

Data for a Greener World presents a structured discussion on how to measure the economic and financial dimensions of climate change. It combines

economic theory and analysis with real-world examples of how climate data can be constructed for different country settings, based on existing climate science and economic data. The book identifies important climate data gaps, as well as practical and innovative approaches to close many of these gaps.

World Economic Outlook

A unique source of authoritative data, information, and analysis

The *World Economic Outlook* (WEO) presents the IMF staff's analysis of prospects for the global economy. Each issue reports on developments in global

financial markets, economic governance, and critical policy issues. The WEO tracks key indicators, such as output, growth, inflation, employment, government debt, current account balances, savings, and financial flows. The data are presented in easy-to-read maps, charts, and tables. The WEO is a highly respected, trusted resource for decision makers, business leaders, researchers, and policymakers worldwide.

Global Financial Stability Report

Assessing the risks of the global financial system

The *Global Financial Stability Report* (GFSR) assesses key risks facing the global financial system. The report seeks to highlight policies that may mitigate systemic risks, thereby

contributing to global financial stability and the sustained economic growth of the IMF's member countries. Part of the *World Economic and Financial Surveys* series, the GFSR also draws out the financial ramifications of economic imbalances highlighted by the IMF's *World Economic Outlook*, making it an indispensable companion publication.

Regional Economic Outlooks are the premier source for understanding the latest economic developments in countries around the world. Reports cover Asia and the Pacific, Europe, the Middle East and Central Asia, sub-Saharan Africa, and the Western Hemisphere. Each *Regional Economic Outlook* focuses on recent policy developments that have affected economic performance and identifies the key challenges faced by policymakers in individual countries. Through expert analysis of the latest country-specific data gathered by the IMF, these reports provide accurate near-term outlooks and explore in depth the potential future risks for each region's economy.

Macroeprudential Policy Effects: Evidence and Open Questions

Nina Biljanovska, Sophia Chen, Gaston Gelos, and others

The global financial crisis underscored the need for additional policy tools to safeguard financial stability and ultimately macroeconomic

stability. This paper takes stock of our expanding understanding about the effects and side effects of macroprudential measures and summarizes what we know of the effects of macroprudential policy on credit and asset prices.

Trade Integration in Africa: Unleashing the Continent's Potential in a Changing World

Asmaa A. ElGanainy, Shushanik Hakobyan, Fei Liu, and others

In recent years, African leaders have shown a renewed push for regional integration

by signing the agreement on the African Continental Free Trade Area (AfCFTA). The AfCFTA has the potential to transform regional trade and thereby lift growth and support livelihoods across the continent. This paper lays out the benefits that successful AfCFTA implementation could unlock for Africa in terms of income, jobs, and other benefits.

Digitalization during the COVID-19 Crisis: Implications for Productivity and Labor Markets in Advanced Economies

Florence Jaumotte, Longji Li, Andrea Medici, and others

Digitalization induced by the pandemic was seen both as a possible silver lining to the crisis that could increase longer-term productivity and a risk for further labor market inequality between digital and non-digital workers. The note shows that the pandemic accelerated digitalization and triggered a partial catch-up by less digitalized entities in advanced economies.

Paving the Way to More Resilient, Inclusive, and Greener Economies in the Caucasus and Central Asia

Nikoloz Giginishvili, Iulia Ruxandra Teodoru, Narek Karapetyan, and others.

Countries in the Caucasus and Central Asia have undergone

significant economic and structural transformation since their independence in the early 1990s. All the countries in the region have great potential to become more prosperous and dynamic emerging markets; however, to do so, states need to reposition themselves from being drivers of growth to becoming facilitators of private sector development.

About IMF eLibrary

The IMF is a trusted authority on global economic information. The research and analysis from the IMF's respected authors put cutting-edge research material at your fingertips. The extensive archive provides a unique perspective on finance, trade, globalization, and other current issues.

Visit eLibrary.IMF.org to discover how this free digital resource can enhance your research.

IMF eLibrary offers

- Easy access to various statistical databases
- Extensive archive material to 1946
- Annotation tools
- Free personalization features
- Content in 16 languages

IMF *eLibrary* is constantly expanding to improve your research experience.

The breadth of information is accessed in an integrated environment supported by flexible, user-friendly navigation and intuitive search. Easy search and browse options help surface major new releases, historical information, and recommended readings.

Useful tools to help your work

The collection adds value to your work by drawing on the IMF's reports and data. Users can read online, download, print, and share information. IMF eLibrary supports workflow in research and teaching with its features, such as

- Full-text content in different formats (HTML, PDF, and ePub)
- Citation tools
- Alerts for new content
- Tools for sharing and commenting on content
- One-click export or download of charts and images
- Free and complete metadata (MARC and Excel)
- Integration with major discovery and indexing platforms

Related Materials

Throughout eLibrary, publications are augmented by videos, infographics, additional statistical material, podcasts, and other content. This supplementary material completes the research experience by providing an enhanced perspective. When a document is opened on-screen, users will also find links to related content from within the IMF collection, as well as related content from other international organizations. Using one platform, researchers can gather information from similar organizations focusing on economic issues.

To learn more about how to navigate eLibrary, visit the startup guide located in the "About" menu or scan the QR code.

Content

Following is a partial list of key IMF series that you will discover on eLibrary:

- Books and Monographs
- Country Reports
- Departmental Papers
- *Finance & Development*
- Glossaries
- Manuals and Guides
- IMF Flagship Reports & *Regional Economic Outlooks*
- Independent Evaluation Office Reports
- Official Reports and Documents
- Selected Legal and Institutional Papers
- Staff Discussion Notes
- Tax Law Technical Notes
- Technical Notes and Manuals
- Working Papers

Statistical Data

The IMF produces extensive time-series data on economic and financial indicators and IMF lending. The IMF data portal delivers countries' most authoritative economic reporting in a single resource. Choose "IMF Data" from "IMF Sites" on the eLibrary home page to discover some exclusive features of the online data portal. For additional details on IMF data go to page 11.

AREAER Online and Macroprudential Database

Choose "AREAER Online" or "MCM Data" from IMF Sites on the eLibrary home page to access two unique IMF staff products: The *Annual Report on Exchange Arrangements and Exchange Restrictions* and the Macroprudential Policy Survey. Macroprudential Policy Survey Online

The global financial crisis highlighted the need for dedicated macroprudential policy tools to safeguard financial stability and mitigate systemic risk.

The Macroprudential Policy Survey is a free and regularly updated database capturing information on the policy tools in use by the IMF's membership. Countries are asked to report measures in line with the general definition of macroprudential policy: "the use of primarily prudential tools to limit systemic risk."

This database features information on the institutional arrangements supporting macroprudential policy in IMF member countries. The survey information fills an important data gap for researchers and policymakers. It can be used to support research in this emerging area—for example, to assess the impact of measures on credit and asset prices. It will also help policymakers learn about the design of other IMF members' policy measures.

IMF Economic Review

The official research journal of the IMF

As the official research journal of the International Monetary Fund, *IMF Economic Review* presents articles that

offer a high-level view of economics, including such topics as macroeconomic

implications of financial crises; economic and financial spillovers; and fiscal,

monetary, and macroprudential policies. The journal applies rigorous analysis with

an empirical orientation and engages with a broad audience. The journal borrows

from and interacts with the related fields of international trade, political economy,

labor, economic history, and development.

- Features articles by leading scholars, including 2022 Nobel laureates in Economics Ben S. Bernanke and Douglas W. Diamond
- Influences academics and policymakers worldwide
- Publishes high-quality, peer-reviewed research on open-economy macroeconomics and related fields
- 2022 Impact Factor: 4.3
- 5-Year Impact Factor: 3.9

IMF Publications Program

The IMF Publications Program is a fundamental part of the IMF's broader outreach efforts. Each publication underpins IMF strategic positions and policy by disseminating global and regional surveillance products and analysis and expanding country-level outreach.

The IMF publishes a wide variety of books, periodicals, reports, and digital products covering global economics, international finance, monetary policy, statistics, exchange rates, and other global economic issues. IMF print and digital publications present analysis, research, policy advice, and data on economic and financial sector issues at the global, regional, and country levels.
