**Framework Administered Account for Selected Fund Activities:  
Central Africa Regional Technical Assistance Center (AFRITAC Central) Subaccount**

Prepared by the Legal and Finance Departments, and the Office of Technical Assistance  
Management

1. In March 2009, the Fund established a new Framework Administered Account to administer external financial resources for selected Fund activities (the “SFA Instrument”).<sup>1</sup> The financing of activities under the terms of the SFA Instrument is implemented through the establishment and operation of a subaccount within the SFA. This paper requests Executive Board approval to establish the AFRITAC Central subaccount under the terms of the SFA Instrument.
2. Management has engaged in discussions with member countries in the Central Africa region as well as donors on regional needs in capacity building, training and related activities. Because AFRITAC Central has a proven track record to provide focused, flexible, and responsive technical assistance (TA) in a cost-effective manner,<sup>2</sup> both beneficiary countries of AFRITAC Central and interested donors are supportive to continue the Fund’s involvement in this regard. The center’s activities will continue to focus on the following key areas representing common policy challenges to member countries, including those related to increased regional integration: (i) revenue administration; (ii) public financial management; (iii) public debt management; (iv) banking supervision; and (v) economic and financial statistics.
3. Contributions to AFRITAC Central since its establishment in 2007 have been administered through the Framework Administered Account for Technical Assistance Activities (“FAA”). In the new funding cycle for AFRITAC Central starting in

October 2010, AFRITAC Central will be administered solely under the SFA.<sup>3</sup> Accordingly, the Managing Director proposes the establishment of a new Subaccount on the basis of the essential terms and conditions of the Subaccount established by management with respect to the nature, design, and implementation of the activities to be financed from the Subaccount. These essential terms and conditions include the following:

- a. The resources of the Subaccount will consist of amounts contributed to the Subaccount by donors and beneficiary countries of AFRITAC Central, (“Contributors”), and earnings that accrue as a result of the investment of these amounts (net of any costs associated with such investments). The resources of the Subaccount will be used to finance capacity building, training and related activities, consistent with the purposes of the Fund for identified beneficiaries of AFRITAC Central. The beneficiaries of AFRITAC Central are Burundi, Cameroon, the Central African Republic, Chad, Equatorial Guinea, Gabon, the Republic of Congo, the Democratic Republic of Congo, and São Tomé and Príncipe. Additional beneficiary members of AFRITAC Central may be added with the consent of the Managing Director and the concurrence of Contributors.
- b. Each Contributor will consent to the essential terms and conditions of the Subaccount before the Managing Director may accept the Contributor’s resources into the subaccount.
- c. Resources will be placed in the Subaccount by each Contributor after signature of a Letter of Understanding between the Contributor and the Fund. Contributors may transfer resources from any bilateral subaccount under the SFA into the AFRITAC Central subaccount.
- d. Additional contributors may join the Subaccount at any time. A Contributor’s consent to the essential terms and conditions of the Subaccount shall constitute the Contributor’s ex ante concurrence to any additional Contributor joining the Subaccount on the latter’s consent to the same essential terms and conditions.
- e. A Contributor may withdraw from the Subaccount, and receive a retransfer of its net contributions, without precipitating the termination of the Subaccount.

- f. To help defray the expenses incurred by the Fund in the management of the Subaccount that it will finance, reimbursement equal to 7 percent of the expenses financed from the Subaccount will be paid to the Fund from the Subaccount.
4. The essential terms and conditions of the Subaccount are consistent with the terms of the SFA Instrument, and the activities to be financed from the Subaccount are consistent with the purposes of the Fund. Accordingly, it is proposed that the Executive Board approve the establishment of the Subaccount.
