

INTERNATIONAL MONETARY FUND

**Framework Administered Account for Selected Fund Activities:  
International Forum of Sovereign Wealth Funds Subaccount**

Prepared by the Legal and Finance Departments, and the Office of Technical Assistance  
Management

Approved by Sean Hagan, Andrew Tweedie, and J.R. Rosales

March 20, 2012

1. In March 2009, the Fund established a new Framework Administered Account to administer external financial resources for selected Fund activities (the “SFA Instrument”).<sup>1</sup> The financing of activities under the terms of the SFA Instrument is implemented through the establishment and operation of a subaccount within the SFA. This paper requests Executive Board approval to establish the International Forum of Sovereign Wealth Funds Subaccount (the “Subaccount”) under the terms of the SFA Instrument.
2. Management and staff have discussed with the members of the International Forum of Sovereign Wealth Funds (“IFSWF”), acting through the IFSWF, the continued provision of a secretariat, to be hosted at the IMF and focused on providing technical services and support to the IFSWF members.<sup>2</sup> The Fund has provided technical services to IFSWF members in the form of a secretariat function since 2009. The secretariat function includes technical and logistical support to the IFSWF in organizing meetings (including the annual meetings), preparing financial reports, and preparing materials for communications and outreach. The partnership with the IFSWF members will take the form of a multi-donor subaccount.
3. On the basis of the above, the Managing Director has established essential terms and conditions of the Subaccount, with respect to the nature, design, and implementation of the activities to be financed and the method by which the costs of the activities will be financed from the Subaccount. These essential terms and conditions include the following:

---

<sup>1</sup> See Establishment of a New Framework Administered Account for Selected Fund Activities, (<http://www.imf.org/external/np/pp/eng/2009/030409.pdf>).

<sup>2</sup> The IFSWF was established by the International Working Group of Sovereign Wealth Funds (“IWG”) in 2009. IFSWF is a voluntary group of Sovereign Wealth Funds (“SWF”), which meets, exchanges views on issues of common interest, and facilitates an understanding of the Santiago Principles and SWF activities. See: <http://www.ifswf.org/>.

- a. The resources of the Subaccount shall consist of amounts contributed to the Subaccount by IFSWF members (“Contributors”), and earnings that accrue as a result of the investment of these amounts (net of any costs associated with such investments). The resources of the Subaccount will be used to finance the IFSWF Secretariat function including technical assistance and related activities, consistent with the purposes of the Subaccount.
  - b. Contributors, acting through the IFSWF, will consent to essential terms and conditions of the Subaccount before the Managing Director may accept the Contributor’s resources into the Subaccount.
  - c. Resources will be placed in the Subaccount by each Contributor after signature of a Letter of Understanding between the IFSWF, acting on behalf of Contributors, and the Fund. The Subaccount will permit Contributors to transfer resources from any bilateral subaccount under the SFA Instrument to the International Forum of Sovereign Wealth Funds Subaccount.
  - d. Contributors may join the Subaccount at any time. A Contributor’s consent to the essential terms and conditions of the Subaccount will constitute the Contributor’s ex ante concurrence to any additional Contributor joining the Subaccount on the latter’s consent to the same essential terms and conditions.
  - e. A Contributor may withdraw from the Subaccount without precipitating the termination of the Subaccount.
  - f. To help defray the expenses incurred by the Fund in the management of the Subaccount, reimbursement equal to seven percent of the expenses financed from the Subaccount will be paid to the Fund from the Subaccount.
4. The essential terms and conditions of the Subaccount are consistent with the terms of the SFA Instrument, and the activities to be financed from the Subaccount are consistent with the purposes of the Fund. Accordingly, it is proposed that the Executive Board approve the establishment of the Subaccount.
