¹ Voting power varies on certain matters pertaining to the General Department with use of the IMF's resources in that department.

² Percentages of total votes (2,519,736) in the General Department and the Special Drawing Rights Department.

³ This total does not include the votes of Guinea-Bissau, Madagascar, and Somalia, which did not participate in the 2012 Regular Election of Executive Directors. The total votes of these members are 4,017—0.16 percent of those in the General Department and Special Drawing Rights Department.

⁴ This figure may differ from the sum of the percentages shown for individual countries because of rounding.
