## EXTENSION OF THE PERIODS FOR PAYMENT OF QUOTA INCREASES UNDER THE FOURTEENTH GENERAL REVIEW OF QUOTAS AND THE 2008 REFORM

Approved By  
**Andrew Tweedie**

Prepared by the Finance Department  
(In consultation with the Legal and Secretary's Departments)

1. This paper proposes a further 30-day extension of the period for payments of quota increases under the Fourteenth General Review of Quotas ("Fourteenth Review"), and an extension for the payment of the quota increases under the 2008 Reform, through May 27, 2016.
2. For the Fourteenth Review, under Board of Governors Resolution No. 66-2, each member shall pay to the Fund the increase in its quota within 30 days after the later of (a) the date on which it notifies the Fund of its consent, or (b) the date on which all of the general effectiveness conditions for the quota increases under the Fourteenth Review are met, provided that the Executive Board may extend the payment period as it may determine.<sup>1</sup> The initial 30-day period for payments has been extended twice, most recently through April 27, 2016.<sup>2</sup> Good progress is being made in implementing the quota payments of these members.<sup>3</sup> However, some members have indicated that they require additional time to complete internal procedures for the payment of quota increases. <sup>1</sup> See paragraph 5 in [Board of Governors Resolution No. 66-2, Fourteenth General Review of Quotas and Reform of the Executive Board](#). Likewise, under Resolution No. 66-2 (paragraph 4), the Executive Board may also extend the period for consent as it may determine. The initial period for consent in Resolution No. 66-2 was December 31, 2011. The Executive Board has extended this period on several occasions, most recently until June 30, 2016; see [Extension of the Period for Consent to Increase Quotas Under the Fourteenth General Review of Quotas, the 2008 Reform of Quota and Voice, and the Eleventh General Review of Quotas](#) (12/17/15).

<sup>2</sup> See [Extension of the Periods for Payment of Quota Increases Under the Fourteenth General Review of Quotas and the 2008 Reform](#) (3/22/16).

<sup>3</sup> As of April 19, 176 members had consented to their quota increase and 166 members had paid their quota increases.

the authorities in each of these cases to facilitate timely arrangements for payments.

3. With respect to the 2008 Reform, among members that have consented to their ad hoc quota increases under the 2008 Reform, two members – Eritrea and the Syrian Arab Republic – require additional time to complete the payments for their ad hoc quota increases.<sup>4</sup> The Executive Board has previously extended the payment deadline for these countries, most recently in March 2016.<sup>5</sup> Their deadline for payment is currently April 27, 2016.

4. In these circumstances, it is proposed that the Executive Board extend the period for payment of the quota increases under the Fourteenth General Review of Quotas through May 27, 2016 for those members whose quota payments would otherwise be due earlier.<sup>6</sup> It is also proposed that the Executive Board extend the period for payment of the quota increases under the 2008 Reform for Eritrea and Syrian Arab Republic through May 27, 2016.

---

<sup>4</sup> 49 of the 54 members eligible for ad hoc quota increases under the 2008 Reform have consented to their quota increases. Except Eritrea and the Syrian Arab Republic, all members that consented have also made corresponding quota subscription payments. All five members that have not yet consented to their 2008 Reform quota increases (Bahrain, Bhutan, Costa Rica, Palau, and Turkmenistan) have, however, consented to their quota increases under the Fourteenth General Review, and four of these five members (Bahrain, Bhutan, Costa Rica, and Turkmenistan) have paid for their Fourteenth Review quota increases.

<sup>5</sup> See [Extension of the Periods for Payment of Quota Increases Under the Fourteenth General Review of Quotas and the 2008 Reform](#) (3/22/16).

<sup>6</sup> Consistent with Resolution No. 66-2, members that consent on or after April 27, 2016 will continue to have 30 days to make the quota subscription payment from the date of their consent.
